

WOODLANDS ACADEMY
OF THE SACRED HEART

Imagine your perfect school. What would it be?

A place to excel...

where you develop your true intellectual potential and **reach new levels of accomplishment** through challenging, stimulating classes.

A place to explore...

where boundless opportunities await, enticing you to **uncover new interests**, talents, and passions, and grow into the person you want to become.

A place to belong...

where you find friends who accept you for **you**, but also encourage you to discover who you **could** be.

That's what you'll find at Woodlands Academy of the Sacred Heart. As an independent Catholic day and boarding school for young women, we'll give you the tools and support you need to **achieve your dreams** and **realize your potential.**

It all starts in the classroom, where our rigorous, challenging curriculum **inspires you intellectually**, preparing you for life after high school. Just ask a Woodlands grad what she's up to: Our alumnae attend the country's finest colleges and universities, run multi-billion dollar corporations, become Emmy-award winning actresses, and shape the face of politics. Our grads write novels, design museums, and start their own businesses. **Woodlands is their ideal school.**

At Woodlands, **everything we do is designed to get you where you want to go.** We keep our class sizes small—classes usually have **13 students**—to ensure you'll get the attention you need. And because we're an all-girls school, we utilize teaching techniques and strategies that suit you best.

You have a voice here... Whether you're engaging your teacher in English class, solving a trigonometry problem, or planning a school dance, you'll have your say. **And people will listen.**

You'll be a member of a community where you'll always find the support you need to be your best. Working together, playing together, sharing meals, dreams and aspirations—Woodlands students form **friendships that last a lifetime.**

In the pages that follow, you'll read all about **what sets Woodlands Academy apart.** You'll read the stories of our students—maybe your future friends—and how Woodlands opened new doors for them.

We hope you'll ask some of your own questions: What kind of person do I want to become? What is my "ideal future," and what do I need to get there? Read on, and **explore how Woodlands Academy can take you to your future.**
